Ellicott-Masten Family YMCA Unveils Newly Remarcited Pool Just in Time For Summer

(Buffalo, NY) – The Ellicott-Masten Family YMCA is pleased to unveil its newly remarcited swimming pool at their branch, which is located at 585 William St., Buffalo. The pool was shut down beginning in early April through April 20th when it was reopened for members to enjoy.

“The pool surface was the original surface from when the building was opened in 1983 and the normal life span for a pool marcite surface is 12-15 years depending on pool usage,” said Brian Byrne YMCA Buffalo Niagara Corporate Properties Manager. “We have come to a point where patching it will no longer be possible to keep the pool operating safely or properly.”

Matt Hilton the Executive Director at the branch stated “this was a much needed project and could have only been completed with the financial support from the rest of the YMCA Buffalo Niagara Branches around Erie and Niagara County”.

Summer camp registrations have started and spaces are filling up fast. The improvements to the pool should make for an even better summer camp experience.

The Ellicott-Masten Family YMCA offers preschool and youth swimming lessons as well as private swim lessons, aquafit water exercise, and adult swim lessons. To learn more about the many programs that the YMCA has to offer, please contact the branch at 845-5440 or visit www.ymcabuffaloniagara.org
